Assembly Instructions

Parts List:

If you are missing any of the below parts please contact cservice@oypla.com

Please be aware that you will be referring to this parts list throughout the assembly process.

This Carton Includes:

1 x Heavy duty grooming table 2 x Adjustment Knob 1 x Support Arm 1 x Support Harness

How to Set Up:

1. Pull the legs out on the bottom of the table, making sure that they lock into place.
2. Hold the support arm over the circular rise on the top side of the table, making sure the holes align. Secure this into place using an adjustment knob.
3. Push an adjustment knob into the back of the support arm's base, only tightening once the arm is at the required height.
4. Clip the support harness into the top of the support arm, ensuring it is secure and can hold weight so that it doesn't come loose whilst in use.

Check over all the adjustment knobs and the harness clip to ensure that the product is in order before using it.
