

OYPLA™ GARDEN

Wooden 2 Shelf Grow House

Safety Instructions

Notice: Ensure you read and fully understand instructions before use

While every attempt is made to ensure the highest degree of protection in all equipment, we cannot guarantee freedom from injury. The user assumes all risk of injury due to use. All merchandise is sold on this condition, which no representative of the company can waive or change.

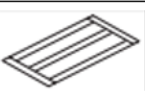

- This product contains small parts that could be a choking hazard if swallowed. Keep these items away from children.
- Make sure all fastenings are tightly in place and that everything is in order before using the product. This should be checked periodically by an adult.
- This product is intended for outdoor use only.
- This product is not a toy, and is only to be used for its designated purpose.
- Do not carry out alterations or modifications to this product.
- Leaving the product outside exposed to weather, especially direct sun and rain, will speed the weathering process. This can be slowed by removing the product from these conditions.
- Clean only with a damp cloth. Do not use strong industrial cleaning substances or abrasive materials.
- Keep fingers, loose clothing, and hair away when assembling the product. Pinch points can cause personal injury.
- Do not discard any of the packaging until you have checked that you have all of the parts and fittings required.
- Use the correct fixings as indicated. Do not tighten any of the nuts until the unit is completely assembled, then finish by tightening all nuts. All nuts must be tightened before use.
- Keep away from fire.
- If the product is damaged or has any defects, please contact cservice@oypla.com

Assembly Instructions

Parts List:

If you are missing any of the below parts please contact

cservice@oypla.com

Part Ref	Description	Illustration	Qty

B	Lid		1
C1	Glazed Side Panel Left		1
C2	Glazed Side Panel Right		1
C3	Front Cross Brace		2
D	Glazed Door with Hinges		2
E	Lid Support Arm		1
F	Wing Bolt		1
G	Large Screws		14
H	Small Screws		12
I	Medium Screws		2
J	Slatted Shelf		2
K	Door Latch and Screws		1

Assembly

1. Check that all screws in the ready-made sections are tight, but avoid over-tightening
2. Assemble the back and side frames and front braces (parts A, C1, C2 & C3) using the large screws (G) and the pre-drilled holes in the frame (see Fig 1)
3. Place the shelves (J) inside the greenhouse, on the shelf supports
4. Place the lid (B) in position so that the hinges are at the back and are facing downwards. Line up the lid with the frame sides and hold firmly whilst attaching the hinges to the back panel (A) using screws (H). See Fig 2
5. Screw the Lid Support Arms (E) to either side of the Lid (B) using screws (I) into the pre-drilled holes.
6. Slide a Wing Bolt (F) through the channel in the Lid Support Arm (E), and screw into the top of the Side Panels (C1 & C2) using the pre-drilled holes. See Fig 3
7. Attach the doors (D) by lining up the doors with the frame and attaching with screws (H)
8. Attach one door latch (K) to the centre of the top bar so that it catches both doors and the other latch to the outside of one door as shown.
