Safety Information

Please ensure you read and fully understand instructions before use

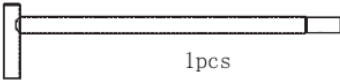

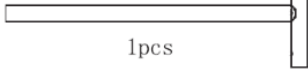

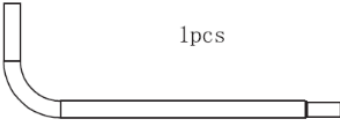

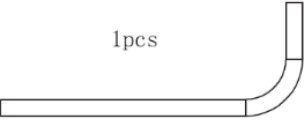

While every attempt is made to ensure the highest degree of protection in all equipment, we cannot guarantee freedom from injury. The user assumes all risk of injury due to use. All merchandise is sold on this condition, which no representative of the company can waive or change.

- Make sure all fastenings are all tightly in place and that everything is in order before using the rail. This should be checked periodically by an adult.
 - Children should not use this product at any time.
 - Only use this product on stable, level and dry ground.
 - Assembly should be completed by a responsible adult.
 - **Warning! This product contains locking nuts which will lock when tightened due to the rubber seal.**
 - **Warning! This product contains small parts that could be a choking hazard if swallowed. Keep children and pets away whilst assembling the rail.**
 - This product is not a toy, and is only to be used for its designated purpose.
 - Clean only using a damp cloth. Do not use any harsh chemicals or industrial cleaning substances, as these may damage the product.
 - This product is intended for indoor use only.
 - If this product is damaged or defective, please contact cservice@oypla.com
 - **Warning! Do not exceed the 50kg weight capacity of this rail. Doing so may cause product failure and/or personal injury.**
 - **Warning! Never allow children or pets to swing or hang on the rail. Doing so may result in product failure and personal injury.**
-
