15" Open Fire Basket

Safety Instructions

Notice: Ensure you read and fully understand instructions before use

While every attempt is made to ensure the highest degree of protection in all equipment, we cannot guarantee freedom from injury. The user assumes all risk of injury due to use. All merchandise is sold on this condition, which no representative of the company can waive or change.

- This product is not a toy, and is only to be used for its designated purpose.
- Never carry out any alterations or modifications to this product.
- This product is intended for indoor use only.
- When putting coal or logs into the fire basket, make sure you don't overfill the basket as this could create a fire hazard.
- Make sure that no people, especially children, or animals are able to come into physical contact with the fire basket during use. This is to avoid any injuries due to the hot metal. It is advised that you set a fire guard in front of the fire basket to ensure this doesn't happen.
- Allow to fully cool before cleaning
- Clean only with a damp cloth. Do not use strong industrial cleaning substances or abrasive materials as these will damage the product. Make sure the product has cooled down before cleaning as to avoid any potential injuries.
- If the product is damaged or has any defects, please contact cservice@oypla.com
