## **Notice: Ensure you read and fully understand instructions before use**

While every attempt is made to ensure the highest degree of protection in all equipment, we cannot guarantee freedom from injury. The user assumes all risk of injury due to use. All merchandise is sold on this condition, which no representative of the company can waive or change.

- Never carry out any alterations or modifications to this product.
- Suitable for multiple types of small birds.
- This product is not a toy, and is only to be used for its designated purpose.
- This product is intended for indoor use.
- Keep fingers, loose clothing, and hair away when assembling the product.
- Make sure all fastenings are tightly in place and that everything is in order before using the product. This should be checked periodically by an adult.
- This product contains small parts that could be a choking hazard if swallowed. Keep these items away from children.
- If a pet is inside of the product, sure that the entrance panels are secured into place by the entrance latches before leaving the product on its own.
- Leaving the product outside exposed to weather, especially direct sun, rain and salt air, will speed the weathering process. This can be slowed by removing the product from these conditions or covering it with a suitable cover.
- Clean only with a damp cloth. Do not use strong industrial cleaning substances or abrasive materials as these will damage the product.
- Do not discard any of the packaging until you have checked that you have all of the parts and fittings required.
- Use the correct fixings as indicated. Do not tighten any of the nuts until the unit is completely assembled, then finish by tightening all nuts. All nuts must be tightened before use.
- If the product is damaged or has any defects, please contact [cservice@oypla.com](mailto:cservice@oypla.com)
