

Surplus 10L Metal Jerry Can

Safety Instructions

Notice: Ensure you read and fully understand instructions before use

While every attempt is made to ensure the highest degree of protection in all equipment, we cannot guarantee freedom from injury. The user assumes all risk of injury due to use. All merchandise is sold on this condition, which no representative of the company can waive or change.

- This product should only be used for its designated purpose.
- Do not carry out alterations or modifications to this product.
- Leaving the product outside exposed to weather, especially direct sun, rain and salt air, will speed the weathering process. This can be slowed by removing the product from these conditions, or covering it with a suitable cover.
- Clean only with a damp cloth. Do not use strong industrial cleaning substances.
- If you use the jerry can for multiple fuels and liquids be sure to wash the jerry can before you pour another fuel or liquid into it, especially if you plan on using the jerry can for transportation of water.
- Make sure that the cap is tight and secure during transport and storage to avoid spillages or fume leakage from fuel and other liquids.
- If the product is damaged or has any defects, please contact cservice@oypla.com

DO NOT ATTEMPT TO FILL OVER THE 10L LIMIT
