- Clean only with a damp cloth. Do not use strong industrial cleaning substances or abrasive materials as these will damage the product.
- If the product is damaged or has any defects, please contact cservice@oypla.com

Operating Instructions

1. Untighten the dial which is located on the legs of the bench by turning it anti clockwise.
2. Raise the single leg to the upright position to raise both of the legs.
3. Once the legs have been raised slide the little bar into the latches located on the bottom of the Keyboard Bench ensuring that the bar has locked into place fully.
4. Tighten the dial again by turning it clockwise to lock the legs into position.
