

## 4.2m Tow Chain

USER MANUAL Model No: 3435

# Safety Instructions

**Notice:** Ensure you read and fully understand instructions before use

While every attempt is made to ensure the highest degree of protection in all equipment, we cannot guarantee freedom from injury. The user assumes all risk of injury due to use. All merchandise is sold on this condition, which no representative of the company can waive or change.

- Never carry out any alterations or modifications to this product.
- This product is not a toy, and is only to be used for its designated purpose.
- This product is intended for use on cars and vehicles of a similar size only.
- Check the product before each and every use.
- Make sure that the product has been secured correctly on both vehicles to avoid the vehicle being towed coming loose and potentially causing injuries and/or accidents on the road.
- Do not use the product if any damage is visible.
- Do not use the product unless it is attached to another vehicle. This is to avoid it sliding over the road and potentially causing an accident.
- If you use the product to connect your vehicle to a trailer or mobile home, be sure that you still have it attached using the original attachment. Don't rely solely on the product.
- The user is fully responsible for safe use of the product.
- This product is not intended for use by persons (including children) with reduced physical, sensory and mental capacities, or lack of experience and knowledge, unless they have been given supervision or instruction concerning use of the product by persons responsible for their safety.
- Clean only with a damp cloth. Do not use strong industrial cleaning substances or abrasive materials as these will damage the product.
- If the product is damaged or has any defects, please contact [cservice@oypla.com](mailto:cservice@oypla.com)
