

# 10 Pole Windbreak

# Safety Instructions

**Notice: Ensure you read and fully understand instructions before use**

While every attempt is made to ensure the highest degree of protection in all equipment, we cannot guarantee freedom from injury. The user assumes all risk of injury due to use. All merchandise is sold on this condition, which no representative of the company can waive or change.

- This product contains small parts that could be a choking hazard if swallowed. Keep these items away from children.
- If at any time during activity, you feel faint, dizzy or experience pain, stop and consult your physician or doctor.
- Make sure all fastenings are tightly in place and that everything is in order before using the product. This should be checked periodically by an adult.
- This product is not a toy, and is only to be used for its designated purpose.
- Clean only with a damp cloth. Do not use strong industrial cleaning substances.
- Leaving the product outside exposed to weather, especially direct sun and rain, will speed the weathering process. This can be slowed by removing the product from these conditions, or covering it with a suitable cover when not in use.
- Be careful when walking in close proximity to the windbreak, when assembled, to avoid tripping over the ropes. Do not let children play close to the windbreak.
- Avoid use in strong winds or overly exposed areas.
- Always use the pole caps (included) to avoid potential injury.
- Keep this product away from fires and hazards.
- If any parts are missing or damaged, please contact [cservice@oypla.com](mailto:cservice@oypla.com)

**Please retain a copy of all  
instructions for future consultation.**
