Wire Tensioner

Safety Information

Please ensure you read and fully understand instructions before use

While every attempt is made to ensure the highest degree of protection in all equipment, we cannot guarantee freedom from injury. The user assumes all risk of injury due to use. All merchandise is sold on this condition, which no representative of the company can waive or change.

- This product is not a toy, and is only to be used for its designated purpose.
 - This product is intended for outdoor use only.
 - Clean only with a damp cloth. Do not use strong industrial cleaning substances or abrasive materials as these will damage the product.
 - If at any time during activity you feel faint, dizzy, experience pain, stop and consult your physician or doctor.
 - Do not discard any of the packaging until you have checked that you have all of the parts and fittings required.
 - **Warning! Be very careful not to trap loose hair, jewellery or clothing in the tensioner. Doing so may cause personal injury.**
 - Never carry out any alterations or modifications to this product.
 - Make sure all fastenings are tightly in place and that everything is in order before using the product. This should be checked periodically by an adult.
 - Leaving the product outside exposed to weather, especially direct sun, rain and salt air, will speed the weathering process. This can be slowed by removing the product from these conditions, or covering it with a suitable cover.
 - If the product is damaged or has any defects, please contact cservice@oypla.com.
