

OYPLATM GARDEN

Flower Staging

Safety Instructions

Notice: Ensure you read and fully understand instructions before use

While every attempt is made to ensure the highest degree of protection in all equipment, we cannot guarantee freedom from injury. The user assumes all risk of injury due to use. All merchandise is sold on this condition, which no representative of the company can waive or change.

- This product should only be used for its designated purpose.
- Make sure all poles are secure before applying any weight to the product.
- This product is intended for indoor use only.
- Do not carry out alterations or modifications to this product.
- Do not discard any of the packaging until you have checked that you have all the parts and fittings required.
- Leaving the product outside exposed to weather, especially direct sun, rain and salt air, will speed the weathering process. This can be slowed by removing the product from these conditions, or covering it with a suitable cover.
- Clean only with a damp cloth. Do not use strong industrial cleaning substances.
- If the product is damaged or has any defects, please contact cservice@oypla.com

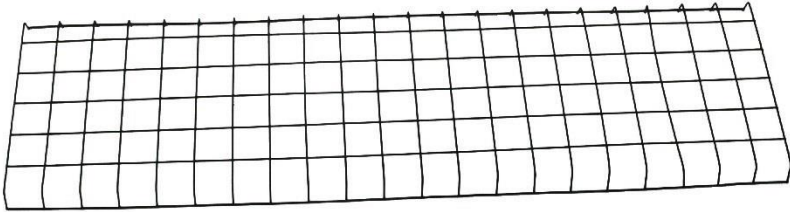

Assembly Instructions

Parts List:

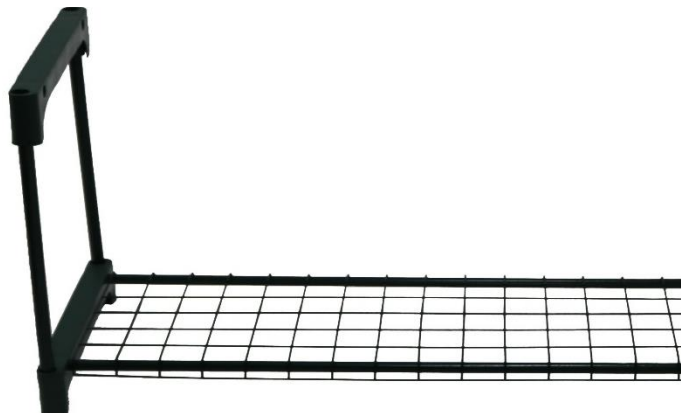

Please check you have all parts below before attempting to assemble this product.

If you are missing any of the below parts, please contact Oypla customer services:

cservice@oypla.com

<p>Platform Pole</p>  <p>8pcs</p>	<p>Frame Support Pole</p>  <p>6pcs</p>
<p>Wire Platform</p>  <p>4pcs</p>	<p>Frame End</p>  <p>8pcs</p>

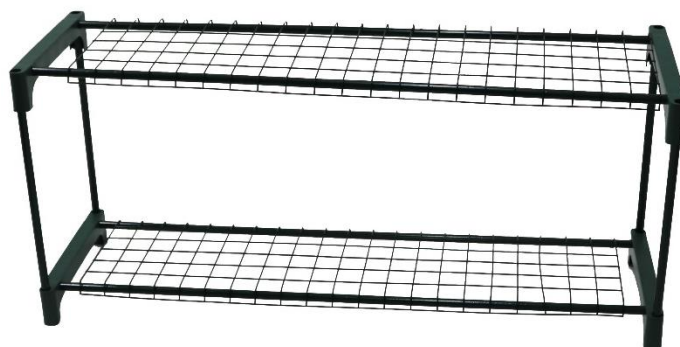

1. Place a frame end on the floor and insert platform poles into the holes in the frame end. After this, push a frame end onto the other end of the platform poles. Please see the image to the right.

2. Place a wire platform on the platform poles. After this, insert frame support poles into the holes on the frame end and push a frame end on top. Repeat this on the opposite side. Please see the image to the left.

3. Insert a platform pole into each hole in the frame ends. Make sure they are secure so they don't come loose when they are in use. After this, place the wire platform on top of the platform poles. Please see the images above.

If you wish to make the flower staging any higher, repeat the two previous steps.

Please retain a copy of all instructions for future consultation.
