Notice: Ensure you read and fully understand instructions before use

While every attempt is made to ensure the highest degree of protection in all equipment, we cannot guarantee freedom from injury. The user assumes all risk of injury due to use. All merchandise is sold on this condition, which no representative of the company can waive or change.

- This product is not a toy, and is only to be used for its designated purpose.
- Never carry out any alterations or modifications to this product.
- This product is intended for outdoor use only.
- Only use with legs fully splayed and jaws set to their widest point.
- Never exceed the maximum load capacity of 150kg, or it may result in product failure and/or personal injury.
- Ensure all fixings are in place and tightened before every use.
- Clean only with a damp cloth. Do not use strong industrial cleaning substances or abrasive materials as these will damage the product.
- Only use this product on stable, level and dry ground.
- Wear appropriate protective footwear, gloves, dust mask and eye protection at all times when using this product.
- If at any time during activity you feel faint, dizzy, experience pain, stop and consult your physician or doctor.
- Leaving the product outside exposed to weather, especially direct sun, rain and salt air, will speed the weathering process. This can be slowed by removing the product from these conditions, or covering it with a suitable cover.
- This product contains sharp parts. Be careful and wear appropriate PPE to avoid personal injury.
- If the product is damaged or has any defects, please contact cservice@oypla.com.

Warnings

 This product contains very sharp parts. Please ensure appropriate PPE is worn as at times. Failure to do so can lead to personal injury.
