# Safety Information

**Please ensure you read and fully understand instructions before use**

While every attempt is made to ensure the highest degree of protection in all equipment, we cannot guarantee freedom from injury. The user assumes all risk of injury due to use. All merchandise is sold on this condition, which no representative of the company can waive or change.

---

- This product is not a toy, and is only to be used for its designated purpose.
  - Never carry out any alterations or modifications to this product.
  - When using the step ladder, be sure to only stand on the lower steps/treads. Never stand on the top step.
  - Ensure the platform locks into place before using this ladder.
  - To prevent potential injury, never overreach whilst using this ladder.
  - If the product is damaged or defective, please contact [cservice@oypla.com](mailto:cservice@oypla.com)
  - **Warning! Do not overreach whilst using this ladder.**
  - **Warning! Do not ascend or descend unless you are facing the ladder.**
  - **Warning! Be sure to carry out a risk assessment of the surrounding working area. Check for overhead electrical cables, the floor surface and the surrounding space.**
  - **Warning! Avoid work that imposes a sideways load on the ladder, such as side-on drilling through solid materials.**
  - **Warning! Do not use this ladder as a bridge.**
  - **Warning! Do not step off the side of standing ladder onto another surface.**
  - Keep fingers and loose clothing, jewellery and hair away whilst folding or unfolding this product.
  - Only use this ladder on stable, level and dry ground.
  - Keep your body centred when using this ladder.
  - Leaving the product outside exposed to weather, especially direct sun and rain, will speed the weathering process. To slow the weathering process down, remove the product from these conditions.
  - **Warning! Do not exceed the maximum capacity of 150kg.**
  - **Warning! Keep a secure grip whilst ascending or descending the ladder.**
  - **Warning! Inspect the ladder after delivery. Before every use, check for damage or defects. If damaged or defective, never use this ladder.**
  - **Warning! A maximum of 1 user can use this ladder at a time.**
  - **Warning! Do not wear unsuitable footwear when climbing a ladder.**
  - **Warning! Do not use this ladder if you are not fit to do so. Certain medical conditions or medication, alcohol or drug use could make ladder use unsafe.**
  - **Warning! Ensure to open the ladder fully before use.**
-

# Operating Instructions

The below information is designed to help you with the operation of your Oypla product

If the product is damaged, defective or you require more information, please contact our dedicated team at [cservice@oypla.com](mailto:cservice@oypla.com).

- 1** Open the ladder, ensuring that the spreaders lock so that the step ladder is secure.
- 2** Place the step ladder on a flat, balanced surface so it can be used in the safest way possible.
- 3** When ascending the step ladder, climb only on the silver treads on the front. Do not climb the ladder using the bracing on the back section of
- 4** Once you have finished using the step ladder, simply unlock the spreaders and fold the ladder together.
