Safety Instructions

Notice: Ensure you read and fully understand instructions before use

While every attempt is made to ensure the highest degree of protection in all equipment, we cannot guarantee freedom from injury. The user assumes all risk of injury due to use. All merchandise is sold on this condition, which no representative of the company can waive or change.

- If at any time during activity, you feel faint, dizzy or experience pain, stop and consult your physician or doctor.
- Do not carry out alterations or modifications to this product.
- Clean only with a damp cloth. Do not use strong industrial cleaning substances.
- Leaving the product outside exposed to weather, especially direct sun and rain, will speed the weathering process. This can be slowed by removing the product from these conditions. Unpacking, installing + fixing the parts are to be completed by an adult.
- Only use this product on stable, level and dry ground.
- This product is for domestic use only.
- Remove any packaging before giving toy to child.
- Persons (including children) with reduced physical, sensory and mental capacities or lack of experience and knowledge do not intend this product for use, unless persons responsible for their safety have given them supervision or instruction concerning use of the product.
- When the child is using this product, they should be supervised at all times.
- Keep fingers, loose clothing away when closing the product.
- Pinch points can cause personal injury.
- If the product is damaged or has any defects, please contact cservice@oypla.com

Warning this product is only suitable for ages 3 and above.

Please retain a copy of all instructions for future consultation.
