# 50ft Air Hose Reel

USER MANUAL Model No: 3639

# Safety Instructions

## Notice: Ensure you read and fully understand instructions before use

While every attempt is made to ensure the highest degree of protection in all equipment, we cannot guarantee freedom from injury. The user assumes all risk of injury due to use. All merchandise is sold on this condition, which no representative of the company can waive or change.

- This product is not a toy, and is only to be used for its designated purpose.
- Never carry out any alterations or modifications to this product.
- This product is intended for indoor use only.
- When using the product, make sure that others are aware that the hose reel is in use so they do not walk into/trip over the hose reel. This is to avoid possible injuries.
- When mounting the hose reel to a wall or roof, be sure that it is mounted securely as to avoid it coming loose and falling (therefore removing the risk of head injuries). This should be checked regularly and resecured correctly if it is coming loose.
- Clean only with a damp cloth. Do not use strong industrial cleaning substances or abrasive materials as these will damage the product.
- If the product is damaged or has any defects, please contact [cservice@oypla.com](mailto:cservice@oypla.com)
