THANK YOU FOR YOUR ORDER

# Red Pedal Go Kart

# Safety Instructions

## **Notice: Ensure you read and fully understand instructions before use**

While every attempt is made to ensure the highest degree of protection in all equipment, we cannot guarantee freedom from injury. The user assumes all risk of injury due to use. All merchandise is sold on this condition, which no representative of the company can waive or change.

- Make sure all fastenings are tightly in place and that everything is in order before using the product. This should be checked periodically by an adult.
- Do not discard any of the packaging until you have checked that you have all of the parts and fittings required.
- Use the correct fixings as indicated. Do not tighten any of the nuts until the unit is completely assembled, then finish by tightening all nuts. All nuts must be tightened before use.
- This product contains small parts that could be a choking hazard if swallowed. Keep these items away from children.
- Do not carry out alterations or modifications to this product.
- This product is only suitable for children aged three and above.
- Persons (including children) with reduced physical, sensory and mental capacities or lack of experience and knowledge do not intend this product for use, unless persons responsible for their safety have given them supervision or instruction concerning use of the product.
- When the child is using this product, they should be supervised at all times.
- A crash helmet should be used when using this toy.
- Children should be supervised by an adult when using the go-kart.
- Do not use the go kart on steep hills or inclines as the hand brake is not suitable to slow down the go-kart enough.
- This go-kart is for use by one child only, it is not suitable for carrying any passengers.
- If the product is damaged or has any defects, please contact [cservice@oypla.com](mailto:cservice@oypla.com)

**PLEASE DO NOT EXCEED THE 50KG LOAD CAPACITY.**
