- This product should only be used for its designated purpose.
- Make sure that the cube is sturdy and the panels are secure before use.
- This product is intended for indoor use only.
- Do not carry out alterations or modifications to this product.
- Do not discard any of the packaging until you have checked that you have all the parts and fittings required.
- Clean only with a damp cloth. Do not use strong industrial cleaning substances.
- If the product is damaged or has any defects, please contact cservice@oypla.com

DO NOT EXCEED THE 5KG WEIGHT LIMIT

Operating Instructions

Parts List:

The carton contains:

- 4x Wooden Panels
- 8x Metal Screw

1. Align the holes in one of the support panels with the holes on the side panels.
2. Screw the screws into the holes, ensuring that they go through the support panels and into the side panels.
3. Repeat the past two steps. After this, go over all the screws to make sure they're secure. Once you know it is secure, you can freely use the wooden storage cube.
