Safety Information

Please ensure you read and fully understand instructions before use

While every attempt is made to ensure the highest degree of protection in all equipment, we cannot guarantee freedom from injury. The user assumes all risk of injury due to use. All merchandise is sold on this condition, which no representative of the company can waive or change.

-
- Never carry out any alterations or modifications to this product.
 - This product is not a toy, and is only to be used for its designated purpose.
 - Clean only with a damp cloth. Do not use strong industrial cleaning substances or abrasive materials as these will damage the product
 - This product contains small parts that could be a choking hazard if swallowed. Keep these items away from children.
 - When assembling be very careful not to excessively tighten the screws, as this may cause damage to the product.
 - Before using the product, make sure all fastenings are tightly in place and that everything is in order, and checked periodically by an adult.
 - Children should be supervised at all times when using the product.
 - Leaving the product outside exposed to weather, especially direct sun, rain and salt air, will speed the weathering process. This can be slowed by removing the product from these conditions, or covering it with a suitable cover.
 - If the product is damaged or defective, please contact cservice@oypla.com
-
