

30 Bottle Wine Rack

Safety Instructions

Notice: Ensure you read and fully understand instructions before use

While every attempt is made to ensure the highest degree of protection in all equipment, we cannot guarantee freedom from injury. The user assumes all risk of injury due to use. All merchandise is sold on this condition, which no representative of the company can waive or change.

- Make sure all fastenings are tightly in place and that everything is in order before using the product. This should be checked periodically by an adult.
- Do not discard any of the packaging until you have checked that you have all of the parts and fittings required.
- Use the correct fixings as indicated.
- This product is not a toy, and is only to be used for its designated purpose.
- Do not carry out any alterations or modifications to this product.
- Only use this product on stable, level and dry ground.
- Make sure all platforms are secure before applying weight to the product.
- This product is intended for indoor use only.
- This product is for domestic use only.
- Clean only with a damp cloth. Do not use strong industrial cleaning substances or abrasive materials as these will damage the product.
- This product contains small parts that could be a choking hazard if swallowed. Keep these items away from children.
- If the product is damaged or has any defects, please contact cservice@oypla.com

Assembly Instructions

Parts List:

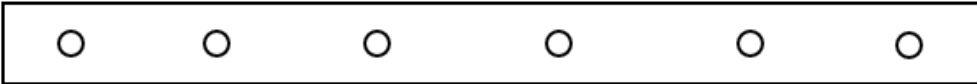

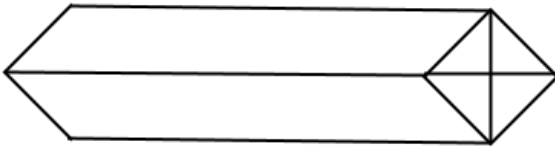

Please check you have all parts below before attempting to assemble this product.

If you are missing any of the below parts, please contact Oypla customer services:

cservice@oypla.com

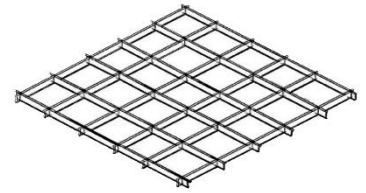

Please be aware you will be referring to this parts list throughout the assembly process.

Note: Hammer/Mallet is needed but is not included with the product.

QUANTITY	ITEM	PICTURE
12	Interlocking Rails	
12	Metal Rails	
2	Mounting Plate	
35	Wooden Rails	
35	Nails	

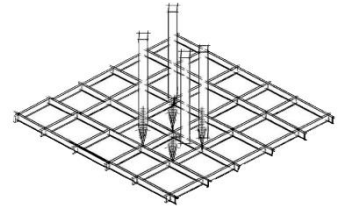

Step 1

1. Assemble the front of the wine rack by slotting together the interlocking rails. This should be attempted on a flat surface to ensure all the joins are level. See example to the right.

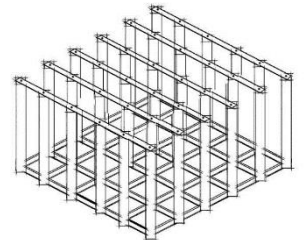

Step 2

2. Line up and insert the wooden rails into the metal frame. Use a mallet or hammer to ensure that the wooden rails are securely fitted onto the frame. See example to the right.

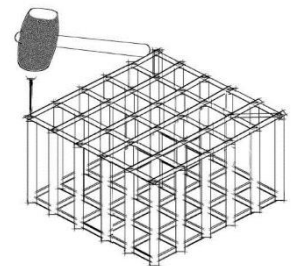

Step 3

3. Place the metal rails over the top of the partially assembled rack, checking that the holes in the metal rails line up with the holes in the end of the wooden rails. See example to the right.

Step 4

4. Complete the wine rack assembly by overlaying the remaining metal rails and hammering in the nails. See example to the right.

Please retain a copy of all instructions for future consultation.
