**Notice: Ensure you read and fully understand instructions before use**

While every attempt is made to ensure the highest degree of protection in all equipment, we cannot guarantee freedom from injury. The user assumes all risk of injury due to use. All merchandise is sold on this condition, which no representative of the company can waive or change.

- Do not carry out alterations or modifications to this product.
- This product is intended for indoor use only; however, it can be used outdoors if the weather conditions are dry.
- Keep fingers, loose clothing, and hair away when folding the product.
- When using the product outside, be sure to only place it on dry, soft, table ground. If it begins to rain or snow, remove these from the conditions immediately. Do not use the product on stones or any other rough terrain as if you fall during an activity you could injure yourself.
- Leaving the product exposed to weather, especially direct sun, rain and salt air, will speed the weathering process. This can be slowed by removing the product from these conditions, or covering it with a suitable cover.
- Clean only with a slightly damp cloth. Do not use strong industrial cleaning substances or abrasive materials as these will damage the product.
- If the product is damaged or has any defects, please contact [cservice@oypla.com](mailto:cservice@oypla.com)
