Crayon Table & Chair Set

Safety Instructions

Notice: Ensure you read and fully understand instructions before use

While every attempt is made to ensure the highest degree of protection in all equipment, we cannot guarantee freedom from injury. The user assumes all risk of injury due to use. All merchandise is sold on this condition, which no representative of the company can waive or change.

- This product is not a toy, and is only to be used for its designated purpose.
- This product is only suitable for children aged three and above.
- Never carry out any alterations or modifications to this product.
- This product is intended for indoor use only.
- Only use this product on stable, level and dry ground.
- Do not exceed the 30kg weight limit for the table and chairs.
- An adult should assess the area that the table and chair set will be placed to remove any potential hazards.
- Make sure all fastenings are tightly in place and that everything is in order before using the product. This should be checked periodically by an adult.
- Unpacking, installing and fixing the parts are to be completed by an adult.
- Keep away from fire.
- Make sure all packaging has been removed before attempting to build the product.
- Clean only with a damp cloth. Do not use strong industrial cleaning substances or abrasive materials as these will damage the product.
- If the product is damaged or has any defects, please contact cservice@oypla.com

Operating Instructions

Parts List:

If you are missing any of the below parts please contact cservice@oypla.com

Please be aware that you will be referring to this parts list throughout the assembly process.

<p>Chair Back Pole</p>  <p>4pcs</p>	<p>Chair Backboard</p>  <p>2pcs</p>	<p>Chair Leg</p>  <p>8pcs</p>	<p>Screw</p>  <p>4pcs</p>
<p>Table Leg</p>  <p>4pcs</p>	<p>Chair Base</p>  <p>2pcs</p>	<p>Table Top</p>  <p>1pcs</p>	

1. Lay the chair base on the floor and screw a chair leg into each hole in the bottom of the chair base. Force may be required to secure each leg into place correctly and ensure that the chair will remain stable. Please see the image to the right.

2. Stand the chair base up and push the chair back poles onto either side of the chair backboard. After this, align the completed chair back with the holes in the chair base, securing this in place with two screws. Once you have completed this step the chair is fully assembled. Please see the image to the left. Repeat the first step and this step to create the other chair.

3. Lay the table top on the flat top side and screw the table legs into the holes at each corner of the table top. Force may be required to secure the legs into place correctly. Please check the image to the right. Before allowing a child to use the product, make sure an adult has checked over the whole product.
