

OYPLATM GARDEN

Garden Stool with Tools

Safety Instructions

Notice: Ensure you read and fully understand instructions before use

While every attempt is made to ensure the highest degree of protection in all equipment, we cannot guarantee freedom from injury. The user assumes all risk of injury due to use. All merchandise is sold on this condition, which no representative of the company can waive or change.

- This product is not a toy, and is only to be used for its designated purpose.
- Never carry out any alterations or modifications to this product.
- This product is intended for outdoor use only
- Always make sure that the product is on stable ground when in use.
- Make sure that the sharp edges of the tools are facing away from you when sitting on the stool.
- Please do not exceed the 120kg weight limit
- Keep fingers, loose clothing, and hair away when folding the product.
- Leaving the product outside exposed to weather, especially direct sun, rain and salt air, will speed the weathering process. This can be slowed by removing the product from these conditions, or covering it with a suitable cover.
- Clean only with a damp cloth. Do not use strong industrial cleaning substances or abrasive materials as these will damage the product.
- If the product is damaged or has any defects, please contact cservice@oypla.com

Please retain a copy of all instructions for future consultation.

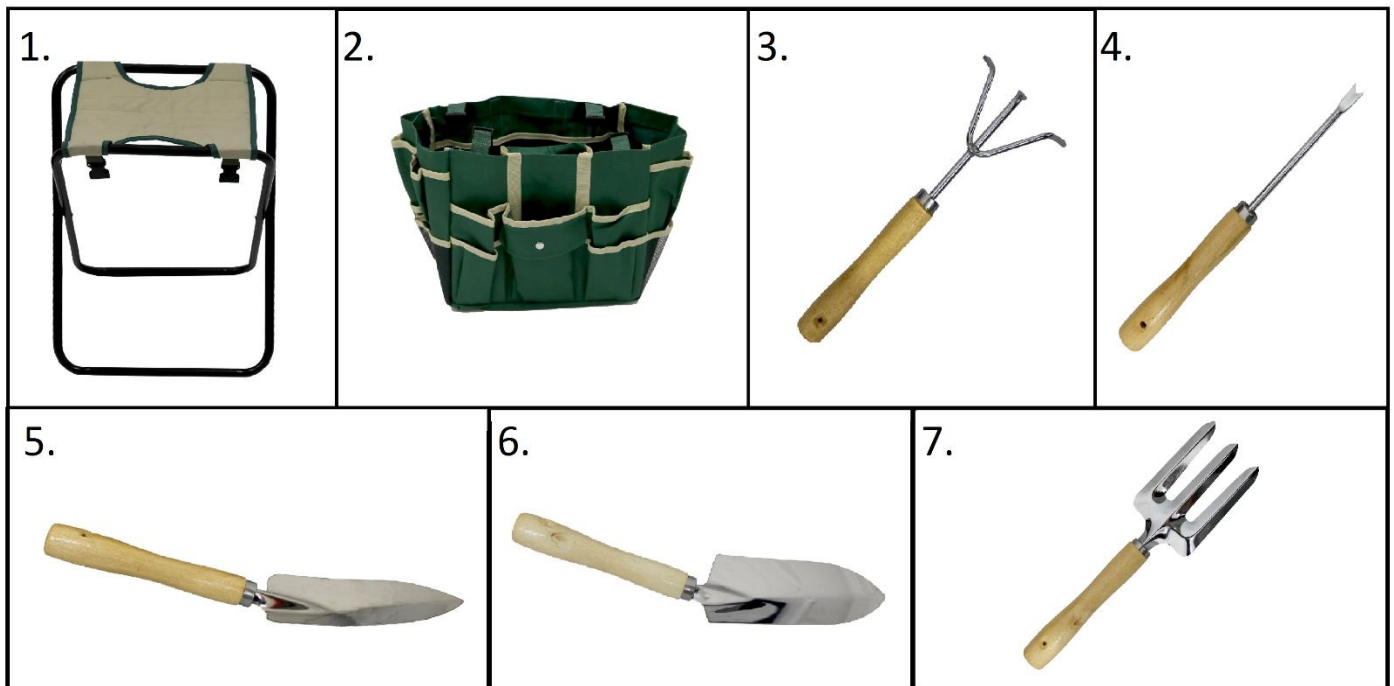

An Official Oypla Branded Product

Operating Instructions

Parts List:

If you are missing any of the below parts please contact cservice@oypla.com

1. Garden stool

3. Cultivator

5. Large trowel

7. Fork

2. Storage bag

4. Dibber

6. Small trowel

How to Use:

1. Remove the product from the carton.

2. Remove the protective layer from the trowels.

3. Set the stool up in the desired location, ensuring all sharp edges face away from you.

4. Test that the stool is stable before putting your full weight on it.

5. Once done, fold the garden stool to store. If necessary, detach storage bag by pressing on the plastic buckle.
