# Safety Instructions

**Notice: Ensure you read and fully understand instructions before use**

**While every attempt is made to ensure the highest degree of protection in all equipment, we cannot guarantee freedom from injury. The user assumes all risk of injury due to use. All merchandise is sold on this condition, which no representative of the company can waive or change.**

- This product is not a toy, and is only to be used for its designated purpose.
- Never carry out any alterations or modifications to this product.
- This product is intended for outdoor use only.
- This product is to only be used on soft ground (such as sand and grass) to avoid damaging the product.
- Make sure that there aren't any objects where you want to place the beach mat down. This is to avoid creating lumps in the mat that may cause discomfort over time.
- Leaving the product outside exposed to weather, especially direct sun and rain, will speed the weathering process. This can be slowed by removing the product from these conditions, or covering it with a suitable cover.
- Though the product is fire resistant, please do not place the product within the immediate range of any open sources of fire (such as camp fires and fire pits).
- Clean only with a damp cloth. Do not use strong industrial cleaning substances or abrasive materials as these will damage the product.
- If the product is damaged or has any defects, please contact [cservice@oypla.com](mailto:cservice@oypla.com)
