Notice: Ensure you read and fully understand instructions before use

While every attempt is made to ensure the highest degree of protection in all equipment, we cannot guarantee freedom from injury. The user assumes all risk of injury due to use. All merchandise is sold on this condition, which no representative of the company can waive or change.

- Make sure all fastenings are tightly in place and that everything is in order before using the product.
- This product is not a toy, and is only to be used for its designated purpose.
- Do not carry out alterations or modifications to this product.
- Only use this product on stable, level and dry ground.
- Do not discard any of the packaging until you have checked that you have all the parts and fittings required.
- Use the correct fixings as indicated. Do not tighten any of the nuts until the unit is completely assembled, then finish by tightening all nuts. All nuts must be tightened before use.
- This product is intended for outdoor use only.
- Clean only with a damp cloth. Do not use strong industrial cleaning substances.
- The maximum weight capacity of this trailer is 150kg, do not exceed.
- The maximum capacity of the tub is 90L, do not exceed.
- Leaving the trailer outside exposed to weather, especially direct sun, rain, salt and air, will speed the weathering process. This can be slowed by removing the trailer from these conditions, or covering it with a suitable cover.
- If the product is damaged or has any defects, please contact cservice@oypla.com

Warnings

 Do NOT overload the cargo trailer of its maximum weight of 150kg.

 Pinch points cause injury! Keep loose fingers, clothing, hair and jewellery away when connecting or detaching the product.
