Safety Instructions

Notice: Ensure you read and fully understand instructions before use

While every attempt is made to ensure the highest degree of protection in all equipment, we cannot guarantee freedom from injury. The user assumes all risk of injury due to use. All merchandise is sold on this condition, which no representative of the company can waive or change.

- This product is not a toy, and is only to be used for its designated purpose.
- Never carry out any alterations or modifications to this product.
- This product is intended for outdoor use only.
- This product contains small parts that could be a choking hazard if swallowed. Keep these items away from children.
- Only use this product on stable, level and dry ground.
- This product is for domestic use only.
- Be sure that you check the support bar (found at the back of the completed stand) before applying any weight to the product to avoid causing the product to fall into itself.
- Never exceed the maximum load capacity of 30kg per shelf, or it may result in product failure or personal injury.
- Do not put flower pots that are bigger than the width of the flower platforms onto the platforms themselves, this is to remove the risk of the flower pots falling easier over time.
- Before using the product, make sure all fastenings are tightly in place and that everything is in order, and checked periodically by an adult.
- Clean only with a damp cloth. Do not use strong industrial cleaning substances or abrasive materials as these will damage the product.
- If the product is damaged or has any defects, please contact cservice@oypla.com
