

OYPLATM GARDEN

4 Tier Corner Flower Stand

Safety Instructions

Notice: Ensure you read and fully understand instructions before use

While every attempt is made to ensure the highest degree of protection in all equipment, we cannot guarantee freedom from injury. The user assumes all risk of injury due to use. All merchandise is sold on this condition, which no representative of the company can waive or change.

- This product is not a toy, and is only to be used for its designated purpose.
- Never carry out any alterations or modifications to this product.
- This product is intended for outdoor use only; however, it can be used indoors at the user's risk.
- Keep fingers, loose clothing, and hair away when folding the product in and out.
- Only use this product on stable, level and dry ground.
- Make sure that the shelves have latched into place before placing any weight on them.
- Do not attempt to balance any flower pots on a single metal support on the shelves. Make sure that the flower pot lays along multiple metal supports to make sure that it is secure.
- Do not exceed the maximum weight limit of 30KG per shelf.
- Leaving the product outside exposed to weather, especially direct sun, rain and salt air, will speed the weathering process. This can be slowed by removing the product from these conditions, or covering it with a suitable cover.
- Clean only with a damp cloth. Do not use strong industrial cleaning substances or abrasive materials as these will damage the product.
- If the product is damaged or has any defects, please contact cservice@oypla.com
