Safety Information

Please ensure you read and fully understand instructions before use

While every attempt is made to ensure the highest degree of protection in all equipment, we cannot guarantee freedom from injury. The user assumes all risk of injury due to use. All merchandise is sold on this condition, which no representative of the company can waive or change.

- The aerator is not a toy, and is only to be used for its designated purpose.
- Never carry out any alterations or modifications to the hooks.
- This product is not suitable for use by children.
- Keep any loose hair and clothing away from the aerator when in use, to avoid personal injury.
- **Warning! Steel toe-capped boots are recommended due to the nature of the product being operated by foot.**
- Clean only with a damp cloth. Do not use abrasive cleaners or detergents.
- If the product is damaged or has any defects, please contact cservice@oypla.com
- Leaving the product outside exposed to weather, especially direct sun, rain and salt air, will speed the weathering process. This can be slowed by removing the product from these conditions, or covering it with a suitable cover.
