Safety Instructions

Notice: Ensure you read and fully understand instructions before use

While every attempt is made to ensure the highest degree of protection in all equipment, we cannot guarantee freedom from injury. The user assumes all risk of injury due to use. All merchandise is sold on this condition, which no representative of the company can waive or change.

- Before using the gate, make sure the hinges connecting the gates are tightly in place and secure.
- This gate is not a toy, and is only to be used for its designated purpose.
- Leaving the gate outside exposed to weather, especially direct sunlight, rain and salt air, will speed the weathering process. This can be slowed by removing the gate from these conditions, or covering it with a suitable cover.
- Keep fingers, loose clothing, jewellery and hair away when folding or unfolding the gate.
- Appropriate for small to medium sized dogs.
- Ensure the positioning of the gate is stable before leaving the product unattended.
- If the product is damaged or defective, please contact cservice@oypla.com

Warnings

- ⚠ Pinch points can cause injury! Take care when unfolding or folding the product.
- ⚠ This product is not fireproof. Keep away from fire.

CONSIDER THE ENVIRONMENT!

In the United Kingdom, approximately 5 billion corrugated boxes are used per year, amounting to around 83 per person! By recycling the cardboard box in which this product was packed, you contribute to the preservation and sustainability of the environment.

If you see a recycling logo on the packaging of your product, such as the below examples, that piece of packaging is recyclable. If there is not a recycling logo, please check with your local authorities before recycling.

PLEASE RETAIN A COPY OF THESE INSTRUCTIONS FOR FUTURE CONSULTATION
