

Portable Bubble Machine

Safety Instructions

Notice: Ensure you read and fully understand instructions before use

While every attempt is made to ensure the highest degree of protection in all equipment, we cannot guarantee freedom from injury. The user assumes all risk of injury due to use. All merchandise is sold on this condition, which no representative of the company can waive or change.

- Make sure all fastenings are tightly in place and that everything is in order before using the product. This should be checked periodically by an adult.
- Do not discard any of the packaging until you have checked that you have all of the parts and fittings required.
- This product is intended for indoor use only.
- Do not lean or support any heavy objects on the product to avoid product damage.
- Only use this on stable, level, dry ground.
- This product is for domestic use only.
- When cleaning make sure the product is turned off and unplugged from the wall and has been left for 5 or 10 minutes to remove the risk of electrical shock.
- Use the correct fixings as indicated. Do not tighten any of the nuts until the unit is completely assembled, then finish by tightening all nuts. All nuts must be tightened before use.
- Keep away from liquids.
- Clean only with a damp cloth. Do not use strong industrial cleaning substances or abrasive materials as these will damage the product.
- This product contains small parts that could be a choking hazard if swallowed. Keep these items away from children.
- Do not carry out alterations or modifications to this product.
- When the child is using this product, they should be supervised at all times.
- If the product is damaged or has any defects, please contact cservice@oypla.com

Environmental Protection

Products bearing the symbol shown above means that used electrical and electronic equipment (WEEE) should not be mixed with general household waste. For proper treatment, recovery and recycling, please take this product(s) to designated collection points where it will be accepted free of charge. Disposing of this product correctly will help save valuable resources and prevent any potential negative effects on human health and the environment, which could otherwise arise from inappropriate waste handling. Please contact your local authority for further details of your nearest designated collection point. Penalties may be applicable for incorrect disposal of this waste, in accordance with your national legislation.

Please retain a copy of all instructions for future consultation.
