- Do not discard any of the packaging until you have checked that you have all of the parts and fittings required.
- If the product is damaged or has any defects, please contact cservice@oypla.com

WARNING!

Grinder may stick and not grind if batteries are not fully charged.

Operating Instructions

To open the top cover, turn counter clockwise and load 4 AA Batteries into the grinder, following the directions in the slot.

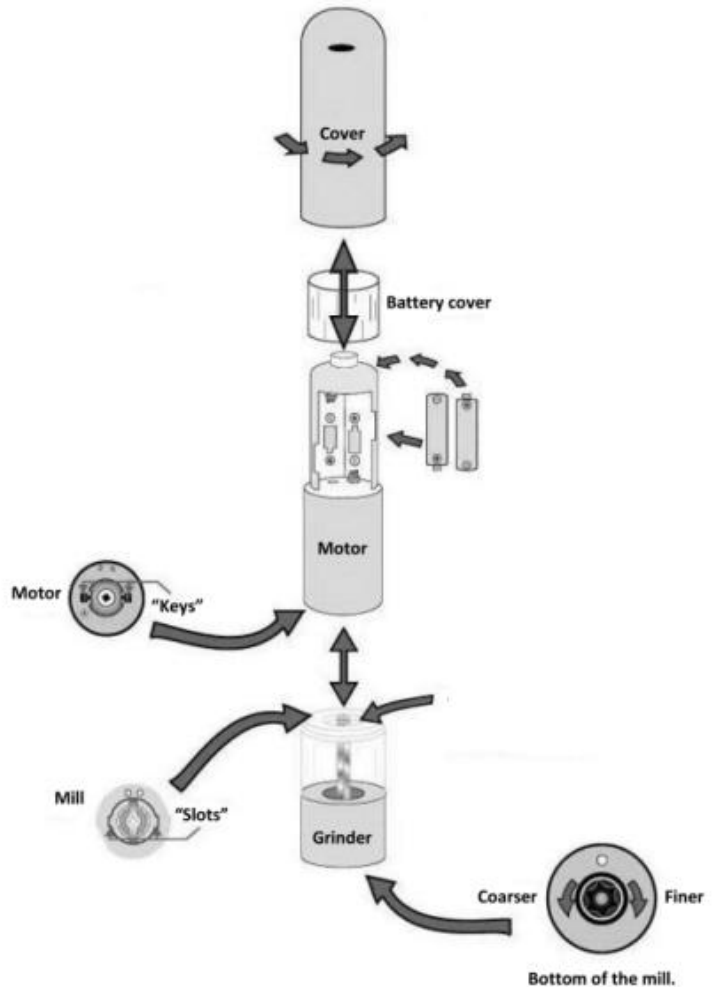

Fill the transparent base with your choice of either salt or peppercorns, for best results, do not overfill.

Put the battery part back into the base of the grinder as per the arrows marked so that it remains securely in place.

Put the top cover back onto the grinder and turn it clockwise to lock into place.

Under the base, use the knob to select how coarse or fine you would like it to grind your salt or pepper.

Press the button to start grinding.
