While every attempt is made to ensure the highest degree of protection in all equipment, we cannot guarantee freedom from injury. The user assumes all risk of injury due to use. All merchandise is sold on this condition, which no representative of the company can waive or change.

- This product is not a toy and should only be used for its designated purpose.
- Make sure that the frame secure before applying any weight to the product.
- This product is intended for indoor use only.
- Do not carry out alterations or modifications to this product.
- Do not discard any of the packaging until you have checked that you have all the parts and fittings required.
- When placing shoes in the wardrobe, ensure that there are no sharp edges or rough edges that will cause the canvas platforms to become torn and broken.
- Overloading the wardrobe can result in product failure or damage.
- Clean only with a damp cloth. Do not use strong industrial cleaning substances or abrasive materials as these will damage the product.
- If the product is damaged or has any defects, please contact cservice@oypla.com

Assembly Instructions

Parts List:

If you are missing any of the below parts please contact cservice@oypla.com

Please be aware that you will be referring to this parts list throughout the assembly process.

Item No./Description	Quantity	Picture
A	4	
B	8	
C	4	
Long Pole (1)	10	
Short Pole (2)	14	
Support pole (3)	1	
Shelf (4)	2	
Cover (5)	1	

1) Slide two **Long poles (1)** through the **Shelf (4)**, then repeat on the other **shelf**. Next take 2 **short poles (2)** and attach 4 **(Bs)** as shown in the photos. Lastly, take another 2 **short poles (2)** and attach all 4 **(As)** in the same way as before.

2) Now, attach both **shelves (4)** to the 4 **short poles (2)** from step 1 as can be seen in the picture to the right. Ensure each corner can have more poles attached to it in later steps which is also shown in the picture.

3) Join 4 **short poles (2)** to 4 **long poles (1)** using 4 **(Cs)** as shown in the picture. Then, attach these to the **shelves (4)** made in step 2. The **(A)** shelf should be at the bottom with its longest side acting as the legs. See picture.

4) Attach 4 more **short poles (2)** to the remaining 4 (**Bs**) and then attach to the top of the built shelving unit as shown.

5) Next, secure the final 2 **short poles (2)** and final 2 **long poles (1)** to the frame. Additionally, add the **support pole (3)** across the middle lengthways at the top of the frame.

6) The final step, is to now place the **cover (5)** over the assembled frame.

**Please retain a copy of all instructions for future
consultation.**
