

3-in-1 Ride On Digger

Safety Instructions

Notice: Ensure you read and fully understand instructions before use

While every attempt is made to ensure the highest degree of protection in all equipment, we cannot guarantee freedom from injury. The user assumes all risk of injury due to use. All merchandise is sold on this condition, which no representative of the company can waive or change.

- This toy is suitable for children aged 3 and above.
- Never carry out any alterations or modifications to this product.
- Make sure all fastenings are tightly in place and that everything is in order before using the product. This should be checked periodically by an adult.
- Children should be supervised at all times when using the product.
- Never exceed the maximum load capacity of 25kg, as this may result in product failure or personal injury.
- Remove any packaging before giving toy to child.
- Clean only with a damp cloth. Do not use strong industrial cleaning substances.
- Use only under the supervision of a responsible adult.
- If the product is damaged or has any defects, please contact cservice@oypla.com

Assembly Instructions

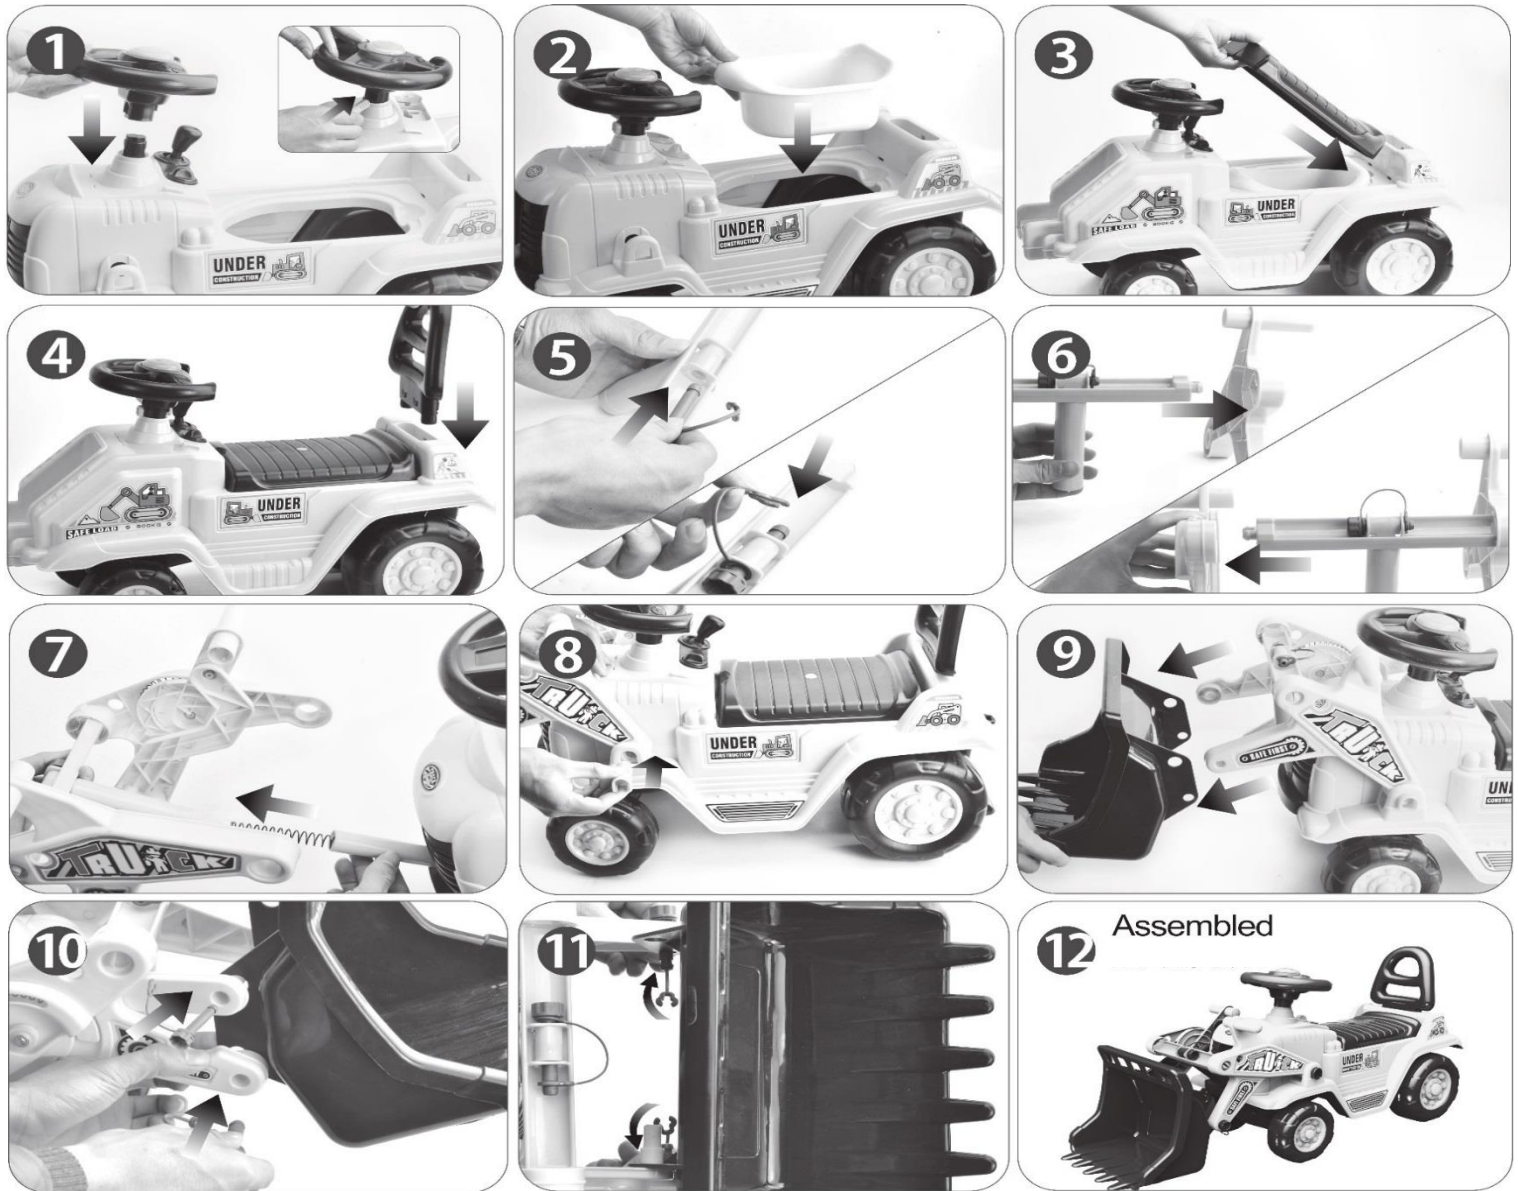

Parts List:

If you are missing any of the below parts please contact cservice@oypla.com

Please be aware that you will be referring to this parts list throughout the assembly process.

PART	QTY	PART	QTY
 1	1	 10	1
 2	1	 11	1
 3	1	 12	3
 4	1	 13	3
 5	1	 14	1
 6	1	 15	1
 7	1	 16	1
 8	2	 17	1
 9	1	 18	1

- 1) Insert part 5 onto part 1, on the stem of the wheel, and Insert part 15 through parts 5 and 1 to join them.
- 2) Place part 7 into the hole on the seat.
- 3) Clip part 18 into part 1.
- 4) Clip part 17 into the back of part 1.
- 5) Feed part 13 through the loop of part 12, before joining part 14 to part 11 by pushing the circular head of part 14 through the middle of part 11. Slot part 13 through both 11 and 14 and clip the other end of part 12 to the end of part 13, **this creates part 19.**
- 6) Connect part 19 to parts 9 and 6 using the holes and clips.
- 7) Insert part 16 into part 10 and connect part 10 to part 1. Put part 16 and 10 through the bottom of part 19.
- 8) Clip part 9 and 6 to the corresponding holes on the side of part 1, using part 8.
- 9) Choose your preferred attachment for your digger and align with the holes.
- 10) Use part 12 and 13, using the same method as step 5, to connect either part 2, 3 or 4 to part 1.
- 11) Clip part 12 into part 13 once you've attached your desired attachment.
