THANK YOU FOR YOUR ORDER

Wall Mounted Bike Rack

Safety Instructions

Notice: Ensure you read and fully understand instructions before use

While every attempt is made to ensure the highest degree of protection in all equipment, we cannot guarantee freedom from injury. The user assumes all risk of injury due to use. All merchandise is sold on this condition, which no representative of the company can waive or change.

- This product is not a toy and should only be use as its designated purpose.
- Never carry out any alterations or modifications to this product.
- This product is intended for indoor use only.
- Make sure all fastenings are tightly in place and that everything is in order before using the product. This should be checked periodically by an adult.
- Ensure the product is mounted correctly before use.
- Clean only with a damp cloth. Do not use strong industrial cleaning substances.
- Never exceed the maximum load capacity of 100kg, or it may result in product failure or personal injury.
- This product is designed to hold a maximum of 3 bikes.
- Keep fingers, loose clothing, and hair away when folding the product.
- If the product is damaged or has any defects, please contact cservice@oypla.com

WARNING: Ensure to check for any hidden pipes and/or cables before drilling into any wall or mounting surface.

Assembly Instructions

<u>Part</u>	<u>Qty</u>
Bike Rack	1
Wall Anchor	4
Screw	4

1. Hold the bike rack in the position you wish to mount it onto your wall and mark the correct places to drill the holes into the wall. Ensure that the rack will be mounted level before drilling any holes.
2. Drill the mounting holes and insert the wall anchors.
3. Screw the rack tightly and securely to the wall. Always ensure that the fittings are secure before using the rack.

CONSIDER THE ENVIRONMENT!

In the United Kingdom, approximately 5 billion corrugated boxes are used per year amounting to around 83 per person! By recycling the cardboard box in which this product was packed, you contribute to the preservation and sustainability of the environment.

If you see a recycling logo on the packaging of your product, such as the below examples, that piece of packaging is recyclable. If there is not a recycling logo, please check with your local authorities before recycling.

PLEASE RETAIN A COPY OF THESE INSTRUCTIONS FOR FUTURE CONSULTATION
