Safety Instructions

Notice: Ensure you read and fully understand instructions before use

While every attempt is made to ensure the highest degree of protection in all equipment, we cannot guarantee freedom from injury. The user assumes all risk of injury due to use. All merchandise is sold on this condition, which no representative of the company can waive or change.

- Keep children and bystanders away while using the tool. Distractions can cause you to lose control.
- Never allow children to operate or play with this tool.
- Take care when carrying the tool. Cover the blade with the provided cover when not in use.
- Do not overreach. Keep proper footing and balance at all times.
- Keep the tool sharp and clean and periodically lubricate the tools. Properly maintained tools with sharp cutting edges are easier to control.
- Choose the correct tool for the job. Do not force the tool if it is unable to cut properly.
- This product is not a toy, and is only to be used for its designated purpose.
- Do not carry out alterations or modifications to this product.
- Leaving the product outside exposed to weather, especially direct sun and rain, will speed the weathering process. This can be slowed by removing the product from these conditions.
- Make sure suitable personal protective equipment (PPE) is worn.
- If the product is damaged or has any defects, please contact cservice@oypla.com

BEWARE OF SHARP EDGES!
