

OYPLATM GARDEN

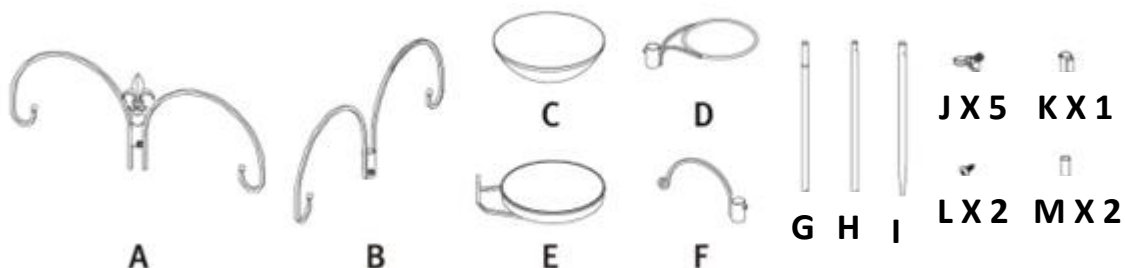

Feeding Station – Complex

Safety Instructions

Notice: Please read all instructions carefully before using this product.

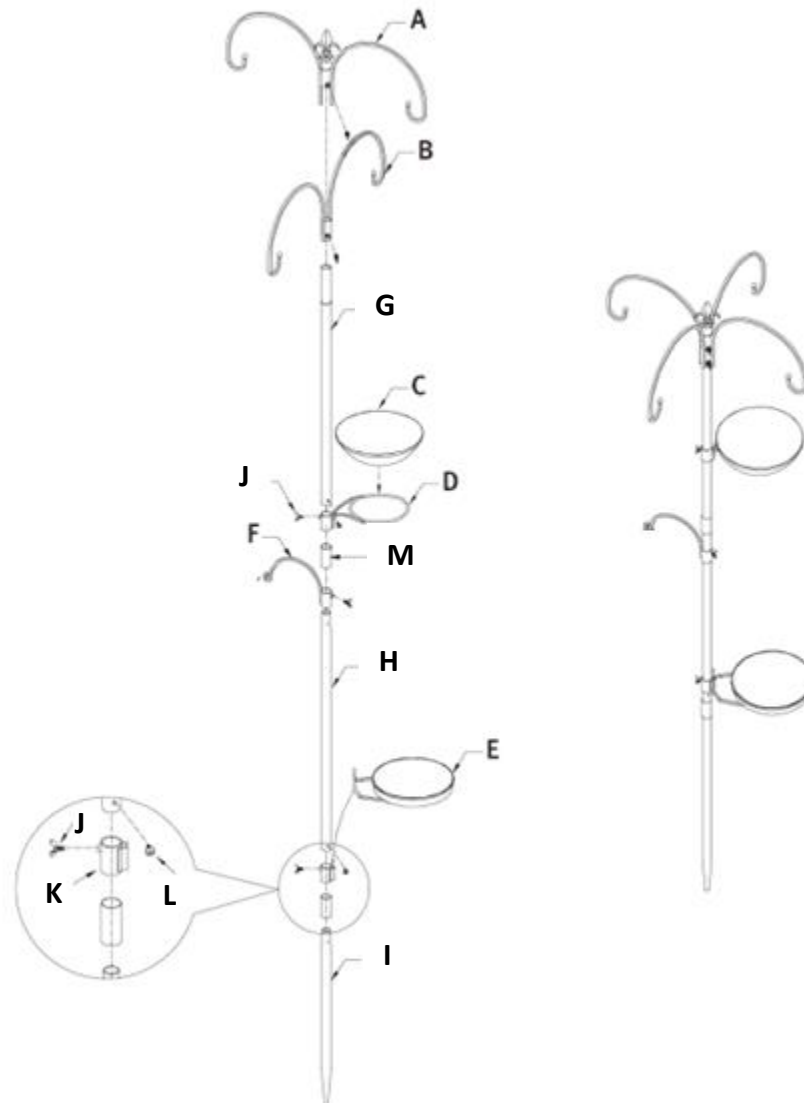

- Make sure all fastenings are tightly in place and that everything is in order before using the product. This should be checked periodically by an adult.
- This product is intended for outdoor use only.
- This product is not a toy, and is only to be used for its designated purpose.
- Do not carry out alterations or modifications to this product.
- Clean only with a damp cloth. Do not use strong industrial cleaning substances.
- Leaving the product outside exposed to weather, especially direct sun and rain, will speed the weathering process. This can be slowed by removing the product from these direct conditions.
- Only use this product on stable and level ground.
- Ensure the product is secure in the ground to avoid injury.
- Fill the feeders before attaching to the bird feeding station.
- Do not discard of any packaging until you have checked that you have all of the parts and fittings required.
- If the product is damaged or has any defects, please contact cservice@oypla.com

Parts List:

Operating Instructions

To assemble the bird feeder, please follow the diagram below. Once you have assembled the bird feeder you will be able to add on the four feeders.

Please retain a copy of all instructions for future consultation.
