Safety Instructions

Notice: Ensure you read and fully understand instructions before use

While every attempt is made to ensure the highest degree of protection in all equipment, we cannot guarantee freedom from injury. The user assumes all risk of injury due to use. All merchandise is sold on this condition, which no representative of the company can waive or change.

- Make sure all fastenings are tightly in place and that everything is in order before using the product. This should be checked periodically by an adult.
- This product is intended for outdoor use only.
- This product is not a toy, and is only to be used for its designated purpose.
- Do not carry out alterations or modifications to this product.
- Clean only with a damp cloth. Do not use strong industrial cleaning substances.
- Fill the feeders before attaching to the bird feeding station.
- Leaving the product outside exposed to weather, especially direct sun and rain, will speed the weathering process. This can be slowed by removing the product from these direct conditions.
- Only use this product on stable and level ground.
- Ensure the product is secure in the ground to avoid injury.
- Do not discard of any packaging until you have checked that you have all of the parts and fittings required.
- If the product is damaged or has any defects, please contact cservice@oypla.com.

Assembly Instructions

Parts List:

- If you are missing any of the below parts, please contact cservice@oypla.com
- Please be aware that you will be referring to this parts list throughout the assembly process.

Top Hook Section 1pcs	Base Pole 1pcs	Connector Pole 2pcs	Hooks 2pcs
Mesh Tray 1pcs	Glass Tray 1pcs	Tray Holders 2pcs	Top Cap 1pcs

Firstly, add the hook onto one of the connectors. Then add the mesh tray and glass tray to the other connectors. You will then be able to join the two connectors together. After this you can add the top hook section onto the top of the connectors that has the two hooks on it and it should then look like the diagram below. Finally, you will need to add this section to the base pole which will then allow you to secure the bird feeder into the ground.

CONSIDER THE ENVIRONMENT!

In the United Kingdom, approximately 5 billion corrugated boxes are used per year, amounting to around 83 per person! By recycling the cardboard box in which this product was packed, you contribute to the preservation and sustainability of the environment.

If you see a recycling logo on the packaging of your product, such as the below examples, that piece of packaging is recyclable. If there is not a recycling logo, please check with your local authorities before recycling.

PLEASE RETAIN A COPY OF THESE INSTRUCTIONS FOR FUTURE CONSULTATION
