Assembly Instructions

1. Place the stand fluted section (1) on a firm and level base for a central upright completion and ease of assembly. Attach to the stand (2) with a small screw (11) on the bottom, then secure at the top with a large screw and nut (13).
2. Place the large bowl (3) onto the stand pole and place the pole (4) through the centre of the bowl with the coco liner (5) inside. Ensure the three poles are aligned and use a medium screw and nut (12) to secure them.
3. Repeat this process with the medium bowl (6) and coco liner (8) using the final long pole (7) and the medium screw and nut.
4. Take the second small screw and place through the centre of the small bowl (9) into the hole of the pole. Place the small coco liner (10) on the top to finish the assembly.
