

45L Bin

Safety Instructions

Notice: Please read all instructions carefully before using this product.

- Unpacking, installing and fixing the parts are to be completed by an adult.
- This product is not a toy, and is only to be used for its designated purpose.
- This product is intended for indoor use only.
- Do not carry out alterations or modifications to this product.
- Each compartment has a maximum capacity of 15L.
- Overfilling the bin may result in product failure. Ensure that the lids are able to close securely with no struggle or bulging.
- Loading objects on top of the bin may result in product failure.
- Clean only with a damp cloth. Do not use strong industrial cleaning substances
- Leaving the product outside exposed to weather, especially direct sun and rain, will speed the weathering process. This can be slowed by removing the product from these conditions.
- Keep fingers, loose clothing, and hair away when closing the lid of the bin.
- Pinch points can cause personal injury.
- Only use this product on stable, level and dry ground.
- Do not discard any of the packaging until you have checked that you have all of the parts and fitting required.
- It is advised to allocate each compartment to a certain type of rubbish. For example, yellow may be for general waste, green may be for recycling and brown may be for compostable waste.
- Keep away from fire.
- If the product is damaged or has any defects, please contact cservice@oypla.com
