

36L Double Compartment Bin

Safety Instructions

Notice: Ensure you read and fully understand instructions before use

While every attempt is made to ensure the highest degree of protection in all equipment, we cannot guarantee freedom from injury. The user assumes all risk of injury due to use. All merchandise is sold on this condition, which no representative of the company can waive or change.

- Unpacking, installing and fixing the parts are to be completed by an adult.
- This product is not a toy, and is only to be used for its designated purpose.
- This product is intended for indoor use only.
- Do not carry out alterations or modifications to this product.
- The small compartment has a maximum capacity of 12L and the large compartment has a maximum capacity of 24L.
- Overfilling the bin may result in product failure. Ensure that the lids are able to close securely with no struggle or bulging.
- Loading objects on top of the bin may result in product failure.
- Clean only with a damp cloth. Do not use strong industrial cleaning substances
- Leaving the product outside exposed to weather, especially direct sun and rain, will speed the weathering process. This can be slowed by removing the product from these conditions.
- Keep fingers, loose clothing, and hair away when closing the lid of the bin.
- Pinch points can cause personal injury.
- Only use this product on stable, level and dry ground.
- Do not discard any of the packaging until you have checked that you have all of the parts and fitting required.
- It is advised to allocate each compartment to a certain type of rubbish. For example, yellow may be for general waste and green may be for recycling.
- Keep away from fire.
- If the product is damaged or has any defects, please contact cservice@oypla.com
