

Rocking Horse

Safety Instructions

Notice: Please read all instructions carefully before using this product

- Please ensure children are supervised at all times when using the product.
- Make sure all fastenings are tightly in place and everything is in order before using this product. This should be checked periodically by an adult.
- Remove any packaging before giving toy to child.
- This product is for indoor use only.
- Do not carry out alterations or modifications to this product.
- Clean only with a damp cloth. Do not use strong industrial cleaning substances.
- Leaving the product outside exposed to weather, especially direct sun and rain, will speed the weathering process. This can be slowed by removing the product from these conditions.
- Only use this product on stable, level and dry ground.
- Keep away from fire.
- This product is not intended for use by persons (including children) with reduced physical, sensory and mental capabilities, or lack of experience and knowledge, unless they have been given supervision or instruction concerning use of the product by persons responsible for their safety.
- 4x AA Batteries required. Do NOT use any other Batteries.
- If the product is damaged or has any defects, please contact cservice@oypla.com

*Battery insert is located on the horse's stomach area.

Environmental Protection

OYPLA.COM

An Official OYPLA Branded Product

Products bearing the symbol shown below means that used electrical and electronic equipment (WEEE) should not be mixed with general household waste. For proper treatment, recovery and recycling, please take this product(s) to designated collection points where it will be accepted free of charge. Disposing of this product correctly will help save valuable resources and prevent any potential negative effects on human health and the environment, which could otherwise arise from inappropriate waste handling. Please contact your local authority for further details of your nearest designated collection point. Penalties may be applicable for incorrect disposal of this waste, in accordance with your national legislation.
