

# Tool Box Trolley

USER MANUAL Model No: 4176

# Safety Instructions

**Notice: Ensure you read and fully understand instructions before use**

**While every attempt is made to ensure the highest degree of protection in all equipment, we cannot guarantee freedom from injury. The user assumes all risk of injury due to use. All merchandise is sold on this condition, which no representative of the company can waive or change.**

- This product is not a toy, and is only to be used for its designated purpose.
- Do not carry out alterations or modifications to this product.
- Clean only with a damp cloth. Do not use strong industrial cleaning substances.
- Keep fingers, loose clothing, and hair away when closing the drawers.
- Pinch points can cause personal injury.
- Only use this product on stable, level and dry surfaces.
- Overfilling the drawers can result in product failure. The drawers should close smoothly.
- Do not fill all of the drawers and open them all at once as this can cause the product to fall over which could result in product failure and/or personal injury.
- Do not discard any of the packaging until you have checked that you have all of the parts required.
- Keep away from fire.
- If the product is damaged or has any defects, please contact [cservice@oypla.com](mailto:cservice@oypla.com)
