# Safety Instructions

## Notice: Ensure you read and fully understand instructions before use

While every attempt is made to ensure the highest degree of protection in all equipment, we cannot guarantee freedom from injury. The user assumes all risk of injury due to use. All merchandise is sold on this condition, which no representative of the company can waive or change.

- Make sure all fastenings are tightly in place and that everything is in order before using the product. This should be checked periodically by an adult.
- This product is intended for outdoor use only.
- This product is not a toy, and is only to be used for its designated purpose.
- When the appliance is not in use, always store in a cool, dry place.
- Never use electric fencing where it is likely to be touched by children or infants, especially near swimming pools or dams.
- Fencing wiring should be installed so that it is well away from any telephone, telegraph line or radio aerial.
- Regular maintenance of the product should include:
  - Clear fence line of grass and weed growth
  - Clear away debris that may have fallen on the fence
- This product is not intended for use by persons (including children) with reduced physical, sensory and mental capacities, or lack of experience and knowledge, unless they have been given supervision or instruction concerning use of the product by persons responsible for their safety.
- Make sure when placing the fencing that clothing won't get caught and/or you won't get injured.
- This product contains sharp edges that could easily be a safety hazard. Keep the fencing pins away from children.
- If the product is damaged or has any defects, please contact [cservice@oypla.com](mailto:cservice@oypla.com)
