## Safety Information

### Please ensure you read and fully understand instructions before use

While every attempt is made to ensure the highest degree of protection in all equipment, we cannot guarantee freedom from injury. The user assumes all risk of injury due to use. All merchandise is sold on this condition, which no representative of the company can waive or change.

---

- This product contains small parts that could be a choking hazard if swallowed. Keep these items away from children.
  - Make sure all screws are tightly in place and that everything is in order before using the product. This should be checked periodically by an adult.
  - Unpacking, installing and fixing the parts are to be completed by an adult.
  - Never exceed the maximum load capacity of 9kg per shelf, or it may result in product failure and/or personal injury.
  - This product is can be used inside or outside.
  - This product is not a toy, and is only to be used for its designated purpose.
  - Keep away from fire.
  - **Warning! This product contains small parts that could be a choking hazard if swallowed. Keep these items away from children**
  - Leaving the product outside exposed to weather, especially direct sun and rain, will speed the weathering process. This can be slowed by removing the product from these conditions.
  - Only use this product on stable and level ground.
  - Do not discard any of the packaging until you have checked that you have all of the parts and screws required.
  - Use the correct screws as indicated. Do not tighten any of the screws fully until the unit is completely assembled, then finish by tightening all screws. All screws must be tightened before use.
  - If the product is damaged or has any defects, please contact [cservice@oypla.com](mailto:cservice@oypla.com).
  - **Warning! Never exceed the maximum load capacity of 9kg per shelf, or it may result in product failure and/or personal injury.**
