

Director's Chair

USER MANUAL Model No: 4197

Safety Instructions

Notice: Ensure you read and fully understand instructions before use

While every attempt is made to ensure the highest degree of protection in all equipment, we cannot guarantee freedom from injury. The user assumes all risk of injury due to use. All merchandise is sold on this condition, which no representative of the company can waive or change.

- Make sure all fastenings are tightly in place and that everything is in order before using the product. This should be checked periodically by an adult.
- Unpacking of the product is to be completed by an adult.
- This product is not a toy, and is only to be used for its designated purpose.
- Do not carry out alterations or modifications to this product.
- Children should be supervised at all times when using the product.
- The maximum weight of this product is 100kg. Do not exceed this.
- Clean only with a damp cloth. Do not use strong industrial cleaning substances.
- Leaving the product outside exposed to weather, especially direct sun and rain, will speed the weathering process. This can be slowed by removing the product from these conditions.
- Keep fingers, loose clothing, and hair away when folding the product.
- Pinch points can cause personal injury.
- Only use this product on stable and level ground.
- Keep away from fire.
- If the product is damaged or has any defects, please contact cservice@oypla.com

Opening the Product:

1. Place your hands on the centre of the armrests and push them down and outwards until the seat locks into position.
2. Ensure that the seat is fully open before extending the table.
3. Lock the front and back table supports to secure the table in place.

Folding the Product:

1. Unlock the table supports and fold the side table down.
2. Place hands on the centre of the armrests and pull them upwards until the seat is fully closed.
