

Large Rolling Ice Box

Safety Instructions

Notice: This manual contains important information regarding the operation, safety and maintenance of the product. Read and understand the manual before using the product, and save this manual for future reference.

- This product is not a toy, and is only to be used for its designated purpose.
- Make sure all fastenings are tightly in place and that everything is in order before using the product. This should be checked periodically by an adult.
- Never exceed the maximum load capacity of 40L, or it may result in product failure and/or personal injury.
- Do not carry out alterations or modifications to this product.
- Leaving the product outside exposed to weather, especially direct sun and rain, will speed the weathering process. This can be slowed by removing the product from these conditions.
- Keep fingers, loose clothing, and hair away when closing the lid. Pinch points can cause personal injury.
- Surface can scratch easily, avoid surface contact with sharp or hard goods.
- Clean with a wet cloth or neutral liquid soap, do not use strong detergents or disinfectants.
- After use, dry the surface and store away to avoid damage.
- Before using the product, check for leaks.
- If the product is damaged or has any defects, please contact cservice@oypla.com
