Safety Information

Please ensure you read and fully understand instructions before use

While every attempt is made to ensure the highest degree of protection in all equipment, we cannot guarantee freedom from injury. The user assumes all risk of injury due to use. All merchandise is sold on this condition, which no representative of the company can waive or change.

- This product contains small parts that could be a choking hazard if swallowed. Keep these items away from children.
 - Make sure all fixings are tightly in place and that everything is in order before using the product. This should be checked periodically by an adult.
 - Unpacking, installing and fixing the parts are to be completed by an adult.
 - This product is intended for indoor use only.
 - This product is not a toy, and is only to be used for its designated purpose.
 - Do not carry out alterations or modifications to this product.
 - Clean only with a damp cloth. Do not use strong industrial cleaning substances.
 - This product is not suitable for use by children.
 - Keep fingers, loose clothing, and hair away when closing the door of the cabinet.
 - Pinch points can cause personal injury.
 - If the product is damaged or has any defects, please contact cservice@oypla.com
 - Do not discard any of the packaging until you have checked that you have all of the parts and fitting required.
 - This product is for domestic use only.
 - Use the correct fixings as indicated. Do not tighten any of the screws fully until the unit is completely assembled, then finish by tightening all screws. All screws must be tightened before use.
 - Keep away from fire.
 - When mounting the cabinet to a wall, ensure that it is clear of any electrical wires or other obstructions. Always check that there are no hidden cables or pipes before drilling into a wall.
 - Do not overfill the cabinet. Please ensure that the cabinet door is able to close smoothly and fully at all time as failure to do so may result in product failure and/or personal injury.
 - Do not exceed the weight limit of 6kg on the shelf as this may result in product failure and/or personal injury.
 - Be sure to measure the distance between the holes on the back of the cabinet before drilling holes into the wall to avoid making unnecessary holes in the wall.
-

What's In The Box?

Please note that you will be referring to the below parts list during assembly

If any of the below parts are missing or damaged, please contact our dedicated team at cservice@oypla.com.

			
Cabinet 1pcs	Key 2pcs	Screw 4pcs	Wall Plug 4pcs

Mounting Instructions

Please refer to the below information to help mount your medicine cabinet

If you require assistance with your Oypla product, please contact our dedicated team at cservice@oypla.com.

1. Firstly, make sure that you measure the distance between the four pre-drilled holes on the back of the cabinet.
 2. Then, drill four holes into the wall where you have chosen to mount your medicine cabinet that match up with the pre-drilled holes. **Make sure to check for any hidden pipes or cables before drilling.**
 3. You should then insert the four wall plugs into the four holes in the wall.
 4. Now you will be able to line up the cabinet with the holes in the wall, before using a screwdriver or drill to insert one screw through each of the four holes in the cabinet. This will then go onto the wall.
 5. Ensure that the screws are tightened and that the medicine cabinet is secure before use.
