Safety Instructions

Notice: Ensure you read and fully understand instructions before use

While every attempt is made to ensure the highest degree of protection in all equipment, we cannot guarantee freedom from injury. The user assumes all risk of injury due to use. All merchandise is sold on this condition, which no representative of the company can waive or change.

- Make sure all fastenings are tightly in place and that everything is in order before using the product. This should be checked periodically by an adult.
- This product is not a toy, and should only be used for its intended purpose.
- Keep out of reach of children.
- The tools may be hot after use, use caution when handling. Use heat-resistant gloves to handle hot tools.
- Do not discard any of the packaging until you have checked that you have all of the parts and fittings required.
- Do not attempt to clean tools whilst they are hot. Wait at least an hour after the tool has been used.
- Do not allow children to play with or around the toolset.

Assembly Instructions
