THANK YOU FOR YOUR ORDER

## 3 Panel Fire Screen

# Safety Instructions

**Notice: Ensure you read and fully understand instructions before use**

While every attempt is made to ensure the highest degree of protection in all equipment, we cannot guarantee freedom from injury. The user assumes all risk of injury due to use. All merchandise is sold on this condition, which no representative of the company can waive or change.

- Make sure all fastenings are tightly in place and that everything is in order before using the product. This should be checked periodically by an adult.
- Do not discard any of the packaging until you have checked that you have all of the parts and fittings required.
- Do not carry out alterations or modifications to this product.
- Only use this product on stable, level and dry ground
- Please use appropriate gloves when trying to move this product during a fire or after it has been close to the fire, product will remain hot for a short while after use.
- Children and pets should be supervised to ensure they do not play with the product. Never let children or pets touch the product whilst it is in use.
- This product is intended for indoor use only.
- If the product is damaged or has any defects, please contact [cservice@oypla.com](mailto:cservice@oypla.com)

## CONSIDER THE ENVIRONMENT!

In the United Kingdom, approximately 5 billion corrugated boxes are used per year amounting to around 83 per person! By recycling the cardboard box in which this product was packed, you contribute to the preservation and sustainability of the environment.

If you see a recycling logo on the packaging of your product, such as the below examples, that piece of packaging is recyclable. If there is not a recycling logo, please check with your local authorities before recycling.
