

Fence Screen Roll

Safety Instructions

Notice: Ensure you read and fully understand instructions before use

While every attempt is made to ensure the highest degree of protection in all equipment, we cannot guarantee freedom from injury. The user assumes all risk of injury due to use. All merchandise is sold on this condition, which no representative of the company can waive or change.

- This product is not intended to be handled by persons (including children) with reduced physical, sensory and mental capacities, or lack of experience and knowledge, unless they have been given supervision.
- The product is designed to be fixed against a structure like a wall or fencing panel. Do not leave product unattended before fully securing to the structure. Fittings are not included.
- The product is packed in a tight roll so it will need to be flattened before use.
- This product is not a toy, and is only to be used for its designated purpose.
- Never try to hang any objectives on the screen, or it may result in product failure and/or personal injury.
- This product is UV protected.
- Keep away from fire.
- Mesh corners or clips can cause personal injury. Although the product has been finished to high standard, due to nature of the material, there may be rough surfaces.
- Keep fingers, loose clothing, and hair away when connecting panels and folding the product.
- Do not discard any of the packaging until you have checked that you have all of the parts and fittings required.
- If the product is damaged or has any defects, please contact cservice@oypla.com

Please retain a copy of all instructions for future consultation.
