# Storage Bench

# User Instructions

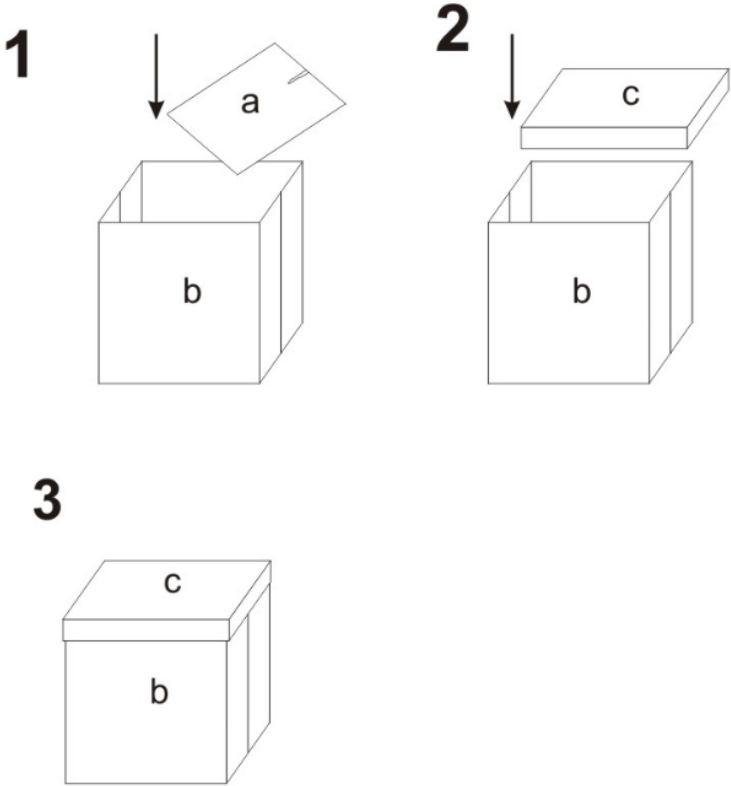

**Notice: This manual contains important information regarding the operation, safety and maintenance of the product. Read and understand the manual before using the product, and save this manual for future reference.**

- This product is intended for **indoor** use only.
- Unpacking, removing and disposing the plastic wrap all the packaging before use the product are to be completed by an adult. Do not discard any of the packaging until you have checked that you have all of the parts and fittings required.
- Make sure the bench is fully secured before use after unfolding the body and push down the base to the bottom. For Large size ottoman (with code 4286,4290,4291), the divider is for dividing the storage space into two sections only.
- Never exceed the maximum STATIC load capacity of 300kg, or it may result in product failure and/or personal injury.
- Leaving the product outside exposed to weather, especially direct sun and rain, will speed the weathering process. This can be slowed by removing the product from these conditions, or covering it with a suitable cover.
- Only use this product on stable, level and dry ground.
- This product is not a toy, and is only to be used for its designated purpose.
- Do not carry out alterations or modifications to this product.
- Keep fingers, loose clothing, and hair away when folding the product.
- The product can be heavy, especially with content inside. Empty content before moving it. It may require two or more persons to lift.
- Wipe clean with damp cloth by hand. Do not use strong industrial cleaning substances.
- Do not discard any of the packaging until you have checked that you have all of the parts and fittings required.
- If the product is damaged or has any defects, please contact [cservice@oypla.com](mailto:cservice@oypla.com)
